Court determination re bond is needed. Present bond is exceptionally inadequate under Prob.C. § 2320 et seq. and C.R.C. 7.207. Based on the income and property reported in this account, bond of \$9,483,102.51 is required. Even if the court were to excuse the bond requirement for the closely held business securities, bond of \$1,108,455.06 is required. The prior account order and prior account hearing minutes include no finding of any good cause to deviate from the bond required by Prob.C. § 2320 et seq. and C.R.C. 7.207. It is recommended the court fix bond at \$9,483,102.51, consistent with the requirements of Prob.C. § 2320 et seq. and C.R.C. 7.207.

Appearance is required for continued hearing on petition for attorney fees.

It is recommended fees be paid by Placer County at a reduced rate of \$60 / hr for 11.2 hours of attorney services. The court waived bond because of the allegations that conservatee's estate will qualify for small estate treatment; inventory filed October 2 indicates conservatee has only a minimal estate. Additionally, the court cannot generally order any fees to be paid from government benefits paid to conservatee, Prob.C. § 2640(e). It is recommended costs also be paid by Placer County in the amount requested in the petition.
